

## Orangeburg Democrat.

A Paper for the People.  
ORANGEBURG, S. C., OCT. 8, 1886.

The principal merchants will close their stores on Tuesday. Farmers and others will bear this in mind, and govern themselves accordingly.

We announce with pleasure that Senators Wade Hampton and M. C. Butler will positively be here on next Tuesday. Turn out to hear them.

The long dry and dusty season prevailing here for several weeks was ended Monday by the needed rains. Peas, potatoes, and turnips will be made glad by these timely showers.

The improvements being put on Mr. Lightfoot's brick building is approaching completion. When finished this will be one of the most handsome residences in town and quite an ornament to that locality.

On the other morning when our devil went for our mail he found a revolver in our box. We don't exactly understand this, unless the postmaster is trying to bull doze us. If it occurs again we will call for troops.

It is said that the Clyde Committee has complied with the terms of Judge Hudson's decree in the case of the purchase of the Greenville Railroad. This we suppose places the road under the management of that Company.

A young horse, being ridden by Mr. Johnnie Rickenbaker on Monday last, became frightened and unmanageable and ran against the house on Doyle's corner, throwing himself and Mr. Rickenbaker to the ground. Neither was seriously injured.

Is the interest of peace and good order and consequences of the large crowd which will be assembled in town on Tuesday next, we would suggest the closing of all the bar-rooms in town. Let us have a sober as well as a glorious day of it.

The following persons have unclaimed freight at the South Carolina Railroad depot at J. S. Livingston, W. A. Johnson, G. B. Kittrell & Co., J. D. Jones, J. C. Holman, J. F. Griffin, J. D. Williams, L. S. Connor, D. R. Shannahan, H. W. Kirkland, G. S. Smith, W. H. Ray, S. McLeod, John S. Rowe.

MANY THANKS.—We wish to express publicly our sincere thanks to the large number of our subscribers who have so promptly responded to our call and have paid up and renewed their subscriptions. There are a great many who have not responded yet, but we hope they will do so shortly. We are not publishing a paper for fun but to make money.

BILIOUS FEVERS.—Obstruction of the Liver, Weakness of the Stomach, Torpor of the Bowels, caused by the clogging of foul accumulations, are what pave the way for fevers. Set the liver and stomach at work, cleanse the blood, and fever can obtain no hold. The one way to do this is by using Dr. Plagg's Improved Liver and Stomach Pad. No doses are to be taken.

The Newberry News warns its readers to be on the lookout for a man calling himself John Wilson, who says that he is from Raleigh, N. C. He is traveling about repairing umbrellas, parasols, &c., and when ready to leave a place, he goes through it, gathering up as many of the above said articles as he can, to repair, and then takes French leave with the stolen articles.

The grocery business of Jas. Van Tassel has increased so rapidly that in order to make room for it he has moved his bar to an adjoining room. Both departments are well supplied with choice fresh goods, which are rapidly being sold off cheap. Mr. C. R. Jones, the genial veteran salesman, can be found at this store, where he is ever ready to give his old friends bargains.

Fire.—About 8 o'clock on Friday evening last an alarm of fire was given, caused by an unusual amount of smoke proceeding from one of the rooms in the residence of Mr. S. A. Reeves. The firemen were promptly on the scene, but it was found that little could be done except by the Hook and Ladder Company who went nobly to work to ascertain the cause of the fire and its locality. Their best efforts failed to detect more than smoke and the crowd dispersed.

Our friend, McWeeney, of the Hampton Guardian speaks in the following complimentary terms of his subscribers: "We have repaid what we have often said before, that we have more good, reliable subscribers and fewer bad ones than any other publisher in the State, and we feel proud to make the statement." It is always a pleasure for a newspaper man to speak up for his patrons, but in this instance we can't say a word, as a good many of our subscribers seems to have taken up a notion that we are near kin to Dr. Tanner.

Dors.—Let every voter come to town next Tuesday.

If you want to get fresh crackers of any sort always call at Jos. Eros.

Some colored Democrat ought to twist the neck of Isaac Whittemore.

Mr. J. A. Ogren has removed his harness shop to the Pittman old store.

Quite a number of old horses and mules changed hands on Monday last.

To stop an itching head use Hall's Vegetable Sulfur Hair Renewer, a sure cure.

For a really good cigar or cigar holder, pipes, smokers' articles call at Jos. Eros.

We officially notify Dr. Webster that Georgia has gone Democratic unanimously.

For fresh canned goods, potted meats, jellies, raisins, currants, citrons, dates go to Jos. Eros.

Red shirts will hold the fort on next Tuesday and on the 2d of November for honest government.

We had a right good opinion of old Vermont until we learned that she raised such cattle as the Websters.

Slowly falls the autumn leaves, turned from green to gray, emblematic of the Radical thieves, passing fast away.

Lay aside the cotton basket, stop the gin and screw, put on the red shirt and your duty nobly do—next Tuesday.

Cigars and tobacco of all qualities and prices by the box or by small quantities for sale low down at J. I. Sorrentino.

Genuine goshen butter at 36 cents per pound, and choice hams at 19 cents per pound at J. I. Sorrentino. Give him a call.

Where else can you get nicer apples, oranges, nuts of all sorts, cabbage, onions, potatoes than at Jos. Eros' fruit store.

Mr. John Reeves fell from the platform at the depot on Monday and broke his collar bone, but is bearing it with Trojan courage.

A meeting of the Howesville Democratic Club will be held on Saturday, the 9th instant, at 3 o'clock P. M. A full attendance is requested.

Let the stores and dwellings be decorated with red bunting and let the ladies beautify their persons with red sashes when Hampton, Butler and fingered come.

Courts convened last Monday morning, Judge W. H. Wallace presiding. Seven or eight cases have been disposed of up to going to press, with three or four convictions.

H. Spashy, watchmaker and jeweler, has arrived and can be found opposite Mr. Cornelson's. As to his reliability he refers by permission to Messrs. Henry and Theodore Kohn, see card.

A red shirt should adorn the broad shoulders of every Democratic son of Orangeburg on next Tuesday. Let them be seen gathering from every quarter by every road and path in the county.

Ready for inspection at Jos. Eros' the largest and most varied assortment of fine candies, put up in 1-4, 1-2, and 1 pound boxes. The only place to get candies always fresh, pure and at bottom prices.

Mr. B. B. Owens left on Monday last to attend the King's Mountain celebration, which began on that day. Mr. Owens will spend some time with his relatives in Yorkville before his return home. We wish him a pleasant trip.

George Belliver, Isaac Whittemore, and one or two other low down characters, attempted to get up a row on last Friday night with some colored Democrats at DeMar's corner. The police interfered and preserved the peace.

A prominent Radical of Orangeburg says he wishes the Democrat and its publishers were in a pretty hot place. The greatest objection to the place would be meeting him and other members of his rascally crowd there.

Zion Democratic Club are requested to meet at the forks of the Cannon Bridge and Ninety-six roads, at 8 o'clock on Tuesday morning, 12th instant, with red shirts and well mounted for the purpose of attending the meeting on that day.

We have often wondered why Geo. Belliver and Isaac Whittemore were so intimate. We have it now. Isaac served on his term in the penitentiary and George came within one vote of serving out his. A fellow feeling makes them kinder kin.

Lost, between Orangeburg and the residence of O. G. Dantzier, Esq., a Badge formed with the Greek letters Chi and Phi on gold, and set with rubies and pearls. The finder will be rewarded by leaving the same at the residence of O. G. Dantzier, Esq., or at this office.

The Orangeburg Marble Works are now in full blast. A visit will convince the most skeptical that Mr. Mayhew thoroughly understands his business and will turn out nothing but first class work in every respect. If you are in need of anything in his line give him a call.

NINETY-SIX, S. C., April 14, 1879.—Dr. L. T. Hill.—I have been suffering from indigestion and dyspepsia for some time; had no appetite, and was very restless at night. I purchased a bottle of your Hepatic Panacea, and was surprised how rapidly I improved after taking a few doses. I used one bottle, and now I rest well at night and have a good appetite. B. J. Spratt. For sale by S. A. Reeves.

Since there is no restriction upon hunting our young men and old ones are looking around for the best guns and ammunition for that purpose. No where in the State can they be better supplied with all kinds of sporting articles than at Mr. Peter G. Cannon's store. No where can they get guns better repaired than there. His double-barrel breech-loaders are just the things for deer and turkeys. Give him a call and examine for yourself.

Such an occasion as next Tuesday will be, some only once in four years and every body should be allowed the privilege of enjoying the exercises to the full extent. Will not our enterprising merchants take this view of it and close their places of business, at least long enough to afford their clerks an opportunity of attending. It will swell the crowd, add to the enthusiasm and, that fact, contribute to the great success to be achieved in November.

At the regular monthly meeting of the Young America Steam Fire Engine Company, held on the 6th instant, the following resolution was unanimously adopted: Resolved, that the thanks of this company be tendered to Mrs. E. S. Hubbell, Mrs. D. Louis and Messrs. D. E. Smoak & Co. and Henry R. Addison for refreshments kindly furnished on the night of the 21st of September, and to Dr. S. A. Reeves for a like kindness on the night of the 1st of October. T. O. S. Dibble, Secretary T. A. S. E. E. Co.

We clip the following from the Kingslee Star: "We see from the Times that Dr. A. A. Straker, colored lawyer of Orangeburg, has been stirring up the 'truly bill' of Georgetown. He is a bitter opponent of everything and everybody which do not fall into the promotion of Straker, and he has as little regard for truth as it is possible for one of intelligence to have. It is not principle he goes for—it is simply spoils. He is an apt pupil of Parson A. Webster, under whose tutelage he has been for several years past."

We regret to announce the death of Mrs. A. J. Dibble, which occurred on Monday last after a protracted and painful illness of many months. Few ladies ever met all the requirements of life more perfectly than she, and few certainly ever passed through the valley of the shadow of death more triumphantly. The funeral services were performed in the Methodist Church by the Rev. W. P. Monahan, assisted by Rev. O. A. Darby, in the presence of a large concourse of sympathizing friends, and the remains were deposited by loving hands in the old graveyard near the resting place of others of her family. She leaves a husband, several little children and a large number of relatives and friends to mourn, but only as those who have hope.

The confusion which inevitable takes place on the occasion of a fire, caused by the imperfect system of alarms, has suggested to our acting Mayor, Mr. J. S. Albergotti, the necessity of something better and more practicable. He is now, we are informed, making an effort to procure a fire alarm bell to be placed in the cupola over the Engine Hall and to divide the town into four wards with Russell street as the line—two wards on one side and two on the other. This will be a decided improvement, and will meet the demand perfectly. By striking the number of ward, our citizens in any part of the town can locate a fire with sufficient accuracy to reach the scene before Uncle Joe puts the fire out. We hope Mayor Albergotti will get the sanction of the council and aid of our citizens in this enterprise.

The Young America Fire Company have decided to hold a Fair in December next for the purpose of raising a portion of the money due on their beautiful Steamer. This is an enterprise, in the success of which every citizen of Orangeburg ought to be interested, because there is not a home within our limits, the occupants of which do not look to this steamer for protection in the hour of danger. Let this Fair receive the patronage its importance demands. A thousand dollars can be realized and nobody will feel the poorer by it, and this amount can be used for our noble philanthropic ladies will take hold of the matter. They have never failed and will not in this instance, if their aid be secured in time. Let us have the Fair, we beseech the patronage of our citizens and the aid of every lady in town.

Bonanza Springs Company meeting is in progress. Next week Union Camp-meeting in Lower St. Matthews will be held.

COMPOUND EXTRACT BUCHU, composed of buchu leaves, dandelion root, acetate potash, juniper berries, praeiza brava, and calimonia root. All of which are highly valued diuretics, kidney stimulants and depurants. The failure of the actions of the kidneys is a source of many distressing diseases. This medicine produces a hearty action of the kidneys, removes from the blood the urea and uric acid, which if allowed to remain and accumulate would induce rheumatism, gouty affections, pains in back and loins. This valuable medicine is for sale by Dr. J. G. Wannamaker. Price 75 cents per bottle.

Dr. Sidney Smith, whose genial nature was a well-spring of pleasure to his friends, had suffered with an inactive liver he would have used Porter's or Tabler's Vegetable Liver Powder. Price 50c. For sale by Dr. J. G. Wannamaker.

OR in the still night the sufferer with piles wondered where he could obtain relief until he sought and found it in Tabler's Pile Ointment, certainly the best remedy for piles. Price 50c. For sale by Dr. J. G. Wannamaker.

## W. B. THOMPSON.
